Discuss Sub Committees

- Feeder School Meeting–Lisa Devashrayee

- LANDTrust and TSSP – discussion will be today after the regular meeting

- Above & Beyond

2nd Tri nominations gathered. Update at next meeting. Awards will be given out at the beginning of 3rd trimester.

COUNSELOR'S REPORT:

- New format for newsletter that will be readable from a phone
- Finishing up Junior class CCR's
- Course selection opened this week
- We held the Rah Rah Assembly for Butler and Albion this week as well as the Bengal Fair
- Monday, 2/14 - College Day for Juniors
- ACT Prep Courses are being taught currently and all classes are full
- Mrs. Moncur is working on helping Seniors that haven't completed Civics test for graduation

PTSA INPUT:

FACULTY REPORT:

- Please encourage your students to attend their classes.
- Discussion about Canvas access for parents - **Parent Connection Canvas** is on the school district website with directions for parents on becoming an observer of your

student's Canvas courses

PRINCIPAL'S REPORT:

TSSP and LANDTrust – Sub-Group discussion after meeting today

Update on Construction

- Construction meetings are slowing down to every other week instead of weekly
 - Not completed -
Exterior
Interior - design, murals, aesthetics
Access from front parking lot to athletics building - we will be able to lock down the main building during sporting events in the Athletic building
 - Discussion about event tickets and fees being charged for online tickets. Season tickets for parents, but band parents have to pay for every game they attend.
- Landscaping
Roundabout
- Moving forward
 - They will start working on anything they can do up until May 25th so that they don't disrupt the school traffic

Cell Tower Fund update

Paid for some teachers to attend conferences

Miscellaneous:

2021 Graduation numbers

- Dropped by 1%
- More worried about 7th - 10th graders
- Math - We are offering the advanced track (6 trimesters in 2 years), regular math students will take 3 trimesters of math (extended math) unless they are on the advanced track - Advanced students, sign up for math 2A for 3rd trimester

2022 Graduation plans

- Maverick Center is reserved for 5/25 at 2:00pm
- The district has already paid the contract for this year
- We are sharing with Hillcrest and Jordan
- If we do it on the football field and had bad weather or 100 degrees, we would have to restrict the number of people who came to 2. On the football field, we would still have to limit the number of family that attended because our football stadium has limited seating

Registration for 2022-23

- Arena Scheduling discussion
 - Can we lock the core classes? Once you lock the course, it complicates the arena when students do need to change classes.
 - AP classes seem to be bundled in the same periods? The challenge is the master schedule and building the board because of the trimester schedule. Assistant Principal's need more training on how to build the board more effectively.
- Course Selection opened this week
- We held the Butler and Albion Rah Rah Assembly and Bengal Fair this week
