BHS Mission Statement – At Brighton High, we choose to be better today than we were yesterday.

- **SCC BUSINESS:**

- Approve Minutes from April 2023 meeting Catherine Bates motioned Lisa Prudden seconded, approved

- **COUNSELOR'S REPORT:**

- Senior awards night on 17th
- Graduation on the 25th
- Summer school will happen starting June 7th 9:00 AM to 1:00 pm every Wednesday through August—credit recovery only, not grade replacement.
- If seniors can't go to senior awards night, they can pick their award up from the counseling center.
- Counseling Department Decision day celebration went well.
- Bulletin board will be up soon for next year.
- SCC elections are in the fall. We send out the interest letter late July/early August.

- **Arena Scheduling Concerns**

- An SCC member had a mom approach her and say that she really doesn't like Arena because the kids move everything around to be with friends,
- Tom said we figure it will happen anyway so they would rather the kids have to do it themselves rather than the counselors having to do it.
- One of the implications is it makes the board uneven because upper classmen are going on ed-release during first period
- State rules say that any reasonable request to adjust a schedule needs to happen.
- We have made adjustments—we used to build a board and the kids filled the schedule and now we have the computer make a schedule with the board that is built so 70% of kids get a full schedule.

- **CELEBRATIONS:**

- Thank you to Tom Sherwood for being a real stand-up guy.

- **ADJOURN** —Paul Winkleman motioned, Katie Dahl seconded
