The counseling department is offering a "Don't worry...Be Happy", 8-week group workshop on Thursdays during APP, beginning Oct 12th. Students will learn new ways to manage their stress and increase their happiness. Reach out to your counselor if you are interested in signing up. A permission form will have to be signed by a parent in order to participate.

Utah College Application Week will be October 30 – November 3.

The goal of College Application Week is to spread college awareness throughout the school and reinforce a college-going culture for all students. During College Application Week, Brighton seniors will receive help navigating the college admissions process with the support of Brighton Counselors and College Admissions Representatives during APP. More information will be sent about the sessions available for seniors can attend

during APP as it gets closer. Start the conversation now. Talk to your students about where they want to go to college, so they will be ready to apply when College Application Week begins.

To support the Worldwide Mental Health day tomorrow, October 10th, we are asking Brighton High School students, teachers, and staff to show their support by wearing green. If you download the safe UT app on your phone, come down to the counseling center and show a counselor for a prize. There will also be mental health green ribbons hidden around the school tomorrow. If you find one, bring it down to the counseling center as well for a special prize. Prizes will not be given during class time. They can only be redeemed between class periods. Let's all normalize mental health together!
