

BHS PARKING CONTRACT - 2023-2024 School Year **Permit #** _____

I understand that parking a vehicle on school property is a privilege and I know I must obey all school, local municipality, and state laws in order to retain the ability to park on school property. Specifically, I understand:

1. A parking permit must be purchased from the Main Office for \$10.00 and properly displayed at all times. Only one parking permit will be sold per student. Permits will be sold to Juniors and Seniors **only**. The purchase does not guarantee a parking space.
2. Each vehicle must display a current Brighton High permit. Permits must be hung from the rear-view mirror, with the permit number facing outward toward the front of the car. A vehicle having a permit which is not properly displayed, or which cannot be read will be deemed to not have a permit and will result in a parking ticket.
3. Vehicles must be parked inside marked lines in student parking lots only.
4. Vehicles must be properly maintained at all times in accordance with local and state laws and display the necessary stickers showing that such is true.
5. Parking permits may not be obtained under false pretense. By so doing, parking privileges may be removed for the remainder of the student's duration at Brighton High School. If permit has been revoked, the vehicle is not allowed on campus.
6. Vehicles cannot contain illegal substances such as alcohol, tobacco, drugs of any type or kind, stolen merchandise, etc., while parked on school property or at a school activity.
7. Never, under any circumstances, will weapons of any type or kind be kept in any vehicle while parked on school property or at a school activity.
8. Sitting in vehicles or loitering in a parking lot during the school day is not permitted.
9. School authorities have jurisdiction over my vehicle while it is on school property to the extent of (1) in my presence, searching my vehicle for reasonable cause, and (2) within appropriate law, to seize improper materials found in my vehicle.
10. All vehicles parked in the designated Drivers Education lot after 2:55 pm shall be subjected to towing at the owner's expense.

11. Citations will be issued to those who have parked illegally and/or are not in compliance with the terms of this contract.

We, the undersigned, have read and understand the BHS Parking RULES, POLICIES and REGULATIONS and all traffic and parking related information in this contract including Utah Code Chapter 10 provided herein. Parent/Guardian hereby give permission for student to register and bring the following vehicle to school. **THE VEHICLE REGISTRATION AND STUDENT DRIVER'S LICENSE MUST BE SHOWN AT THE TIME OF PURCHASING THE PERMIT.**

B.H.S. Parking RULES, POLICIES, and REGULATIONS

Parking passes must be purchased annually; permits will only be issued to Juniors and Seniors with a valid driver's license. ALL previous parking tickets must be paid before a new permit will be issued. Permits from the previous years are not acceptable and anyone doing so will be ticketed, booted and/or towed. BHS and Canyons School District are NOT responsible for car damage or theft on our lot.

Parking is a privilege—not a right. A parking permit gives a student the privilege to park in the student parking areas when a space is available. If the parking lot is full, the student **must** find an alternative place to park. Parking in adjacent neighborhoods is discouraged and disruptive for local residents. Overflow and Sophomore parking is plentiful at the Richard L. Guthrie Skate Park located at 2415 East Bengal Blvd. **Time spent looking for a parking spot or the time it takes to walk to the building is not an acceptable excuse for being late to class. Students should always plan accordingly to ensure that they are able to get to class on time.**

State law indicates that each school district and school within the district will designate parking areas and that those parking areas may have rules enforced by the school and/or local law enforcement (e.g. Cottonwood Heights City Police). BHS has designated areas for student and faculty parking. Students will be required to park **only** in parking stalls designated for student parking. Students who choose to park in non-designated student parking stalls (e.g. handicapped, faculty, administrative, school equipment occupied, or other reserved parking), or park illegally, may be subject to parking citations, parking boots, and/or towing off school grounds at the owner's expense.

Each vehicle parked at BHS must have a current school year parking permit properly displayed. Permits cost \$10.00 each and may be obtained from the Main Office. Permits are not transferable. To replace a lost or stolen permit, a new application will be required along with a fee of \$20.00. Due to limited space, parking is on a first come, first served basis. Permits **MUST** be displayed properly on the rear-view mirror on the front windshield and must be present in the proper vehicle on the premise. Failure to properly display a permit will result in a citation.

Citations are \$50.00. If a vehicle accumulates \$200.00 worth of tickets the vehicle will be **booted** until the tickets are paid in full.

Vehicles parked on Brighton property **without a permit** will be given a warning. The second time the vehicle is parked on Brighton property will be **booted** until a permit is purchased and tickets are paid.

Each permit holder must have a valid Utah driver license and vehicles must have current registration. Those students who park in the parking lot must obey all rules and state laws. In addition, each student must provide written permission from a parent/guardian to drive a motor vehicle to school along with registered owner of vehicle if different than parent/guardian.

The student's vehicle may be searched when on school property if school authorities have reasonable suspicion to believe that materials in violation of state, county, municipal, or school codes are stored within the vehicle. Any such materials or other improper items found during the course of the search may be seized and used as evidence in school disciplinary hearings and legal proceedings.

All cars parked on the driver education range must be moved by 2:35 p.m. Cars not moved are subject to towing at the owner's expense.

Appeals may **not** be made in person, via email, nor email. There will no exceptions.

ALL appeals must be made online at:
