Do you use math in your job or a hobby?

Mrs. Reuter is looking for some more **real world applications** of mathematics. If you use any of the following topics (or if there's one that you think she'd be interested in), please reach out to her at Kristen.reuter@canyonsdistrict.org:

- *Polynomials (solving, operations, graphing, etc.)

- *Imaginary Numbers

- *Trigonometry

- *Quadratics

- *Geometry (congruent or similar triangles, quadrilateral properties, parallel lines and transversals, centers of triangles, etc.)

- *Exponential Functions (growth, decay, interest, etc.)

- *Logarithms

- *Normal Distribution curves

- *Rational Functions

- *Sequences or Series

- *Roots or Radical functions

- *Systems of equations

- *Or anything that you think she would use
