

## BHS PARKING Rules/Regulations - 2024-2025 School Year

*I understand that parking a vehicle on school property is a **privilege** and I know I must obey all **school, local municipality, and state laws** in order to retain the ability to park on school property. Specifically, I understand:*

1. **Juniors and Seniors** with a valid driver's license are eligible to purchase 1 (one) parking permit from the Main Office for \$10. Vehicles without a parking permit are subject to being booted until a \$50 boot fee is paid and a permit is purchased.
  - a. Limited parking and the school's responsibility to protect the welfare and safety of its students warrants permit purchasing. (see Canyons School District Policy 500.26)
  - b. Parking permits may not be obtained under false pretense. (ie: students may not purchase a parking permit for another student.) By so doing, parking privileges may be removed for the remainder of the student's duration at Brighton. If the permit has been revoked, the vehicle is not allowed on campus.
  - c. **All students must show current registration when applying for a school parking permit.**
2. Each vehicle must display a current Brighton permit. Permit stickers must be **visibly applied to the inside lower right-hand corner of the front windshield (passenger's side)**. The sticker must be placed directly on the windshield, not taped or placed inside a plastic sleeve. A vehicle having a permit which is not properly displayed, or which cannot be read will be deemed to not have a permit and will result in a parking ticket.
3. Permits are non-transferable. In the event that a vehicle is sold, in an accident, has a windshield replaced, etc., remove the old sticker and bring it into the main office. Another permit will be issued. Students will still be held responsible for any tickets on lost permits. Replacement permits will be \$20.
4. Vehicles must be parked inside marked lines in **student parking spots only**.
5. A permit gives the privilege of parking in student parking areas when a space is available. Due to limited space, parking is on a first come, first served basis. If the parking lot is full the student must find an alternative place to park. Parking in adjacent neighborhoods is discouraged. **Overflow parking is plentiful at the Guthrie Skate Park located at 2415 E Bengal Blvd.**
  - a. Time spent looking for a parking spot or walking to the building from a parking spot is not an acceptable excuse for being late to class. Students should plan accordingly to ensure they can get to class on time.
6. Vehicles must be properly maintained at all times in accordance with local and state laws and display the necessary stickers showing that such is true.
7. Vehicles cannot contain illegal substances such as alcohol, tobacco, drugs of any type or kind, stolen merchandise, etc., while parked on school property or at a school activity. Never, under any circumstances, will weapons of any type or kind be kept in any vehicle while parked on school property or at a school activity.
8. Sitting in vehicles or loitering in a parking lot during the school day is not permitted.
9. School authorities have jurisdiction over my vehicle while it is on school property to the extent of (1) in my presence, searching my vehicle for reasonable cause, and (2) within appropriate law, to seize improper materials found in my vehicle.
10. All vehicles parked in the designated Drivers Education lot after 2:55 pm shall be subjected to towing at the owner's expense.
11. In case of an emergency or other mitigating circumstances (ie: a student must drive a non-permitted vehicle for up to a week), the permitted student may obtain a temporary permit from the Main Office after consultation with the parking administrator. It is the student's responsibility to obtain the temporary permit.
12. Citations will be issued to those who have parked illegally and/or are not in compliance with the terms of this contract. 1st Citation: \$30- 2nd Citation: \$40- 3rd Citation: \$50 + Boot. Boot will be removed after all tickets are paid for in full. Multiple booting may result in towing at the owner's expense.
13. Drivers with a permit may **appeal one citation per year**-no exceptions. Ticket appeals may not be made in person nor via email. **All appeals must be made online** at the following address/or use the QR code : <http://bit.ly/3SkjINn>
