Job Opportunity: Sweepers Needed

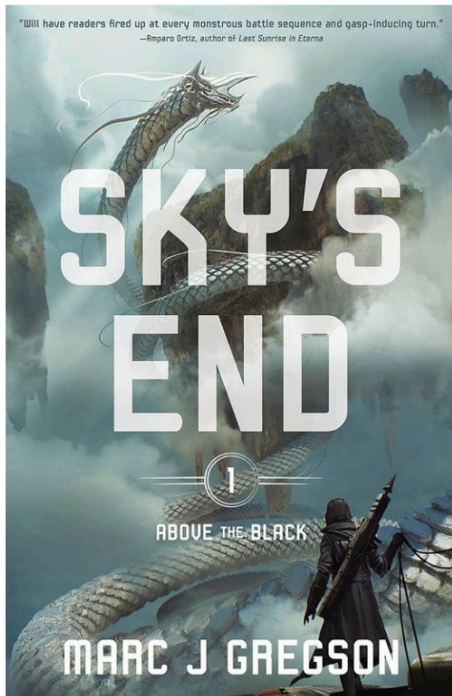

Are you as student looking for a part time job? The school is in need of 5 night sweepers (3:00-5:00pm). You can pick up an application in the main office.

Chromebook Functionality Test: All students

All students have been asked to complete a functionality test on their school-issued chromebook before state testing. Today during APP, students checked each portion of their chromebook. Students completed a survey for the district reporting any issues with their device. If your student was absent or at CTEC during APP, please encourage them to complete the work on Canvas through their APP course. If your student does not have an APP class, encourage them to stop by the library before or after school to complete the functionality test on their device. As a school, we will conduct the functionality test again on Monday, March 10th, during APP.
