Event Parking

We look forward to our upcoming sporting events at Brighton this year! Parking is available in the back and the front of the school. We do remind everyone to park within designated parking stalls. This is important for the safety of our players and our spectators. The parking lots must clear enough for any emergency vehicles to get through. Anyone parking outside of a parking stall will be ticketed and subject to towing.

Middle School Football Attendies

We love having our future bengals at our football games. Just a reminder, due to their age, middle school students who attend football games must attend with an adult and sit in the stands.

Brighton Soccer Field

The soccer field east of Butler is currently being renovated and will be ready for home games in September. In the meantime, all home games will be played on the fields west of Butler Middle School. We look forward to watching our girls soccer team play!

SCC Application Open

School Community Council Applications

Dear Brighton Community Parent Members,

We are now accepting applications to serve on this year's Brighton High School Community Council. Serving on a School Community Council (SCC) is a wonderful way for parents to be actively involved in their children's education. In Canyons School District, School Community Council members review school data, identify school needs, establish goals, and allocate funds toward accomplishing those objectives. Every year, each SCC creates school plans and reviews district plans with the overarching goal of addressing their greatest academic needs and creating an effective and safe learning environment for their school.

The Brighton High SCC can have up to 24 total SCC members (14 parents/10 staff members). The time commitment includes a meeting once a month except in June and July. The meetings are usually held at 3:30pm on the 2nd Wednesday of the month. SCC members must commit to attend a minimum of 75% of the scheduled SCC meetings during the school year. Applications are due by August 26, 2024. If needed, elections will be held August 28th- September 3rd, 2024.
