CTEC Students and Assemblies This Week

Hello CTEC Students & Parents,

There will be **no APP** on Wednesday (09/24) and Thursday (09/25) due to Homecoming Assemblies. This change affects **morning (AM) CTEC students**. Thursday (09/25) 3rd period begins at 10:45 and students will have extra time to get to their class. When they arrive early to Brighton they should proceed to the main gym to be part of the assembly. In regards to Wednesday's (09/24) assembly students should follow the steps below.

- **Today:** AM CTEC students should check in with their 3rd period teachers to confirm whether they are in the **“A” assembly** or the **“B” assembly**.
- **If assigned to “A” Assembly:** When students return from CTEC on Wednesday 09/24, they should go directly to their **3rd period class**.
- **If assigned to “B” Assembly:** When students return from CTEC Wednesday 09/24, they should go directly to the **auditorium for the assembly**.
- These students will miss 3rd period and must work with their teacher to make up any missed work.

Thank you for your flexibility as we adjust schedules for the assemblies!

PSAT Test Option for 9th, 10th, 11th Graders

“The PSAT test is a practice test provided by the College Board to give students valuable feedback on their testing ability and knowledge to prepare them for their eventual taking of the ACT and SAT exams which are required for entrance into college and scholarship programs. The PSAT allows students to take a proctored exam in a secure testing environment and receive knowledge about their testing abilities and what they need to improve on for future testing. All 9th, 10th, and 11th graders are invited to take the PSAT exam. 11th graders who score well will be entered into the National Merit Finalist Scholarship competition and be eligible to receive \$300 million in available scholarships. The available testing date for Brighton High students is October 8th at 7 AM. There are two testing locations. The AUX Gym will be the main location. The Twin Peaks room will be reserved for overflow students once the AUX Gym has been filled. These locations will be filled on a first-come, first-serve basis.

Payment must be received by September 30th in the Main Office. Students who need financial assistance should see Maria Bytendorp in the Main Office.”
