TEEN CENTER

SUCCESS FUND

The Teen Center is a non-profit organization at Brighton that is dedicated to helping the students at Brighton High School achieve success both in and out of the classroom. We work to break down barriers that can stand in the way of student growth by providing essential resources such as laundry services, showers, a food pantry, and access to clothing.

The Success Fund supports the Teen Center by providing the funding needed to supply these critical resources. Every donation helps ensure that students have what they need to overcome obstacles, focus on their education, and reach their full potential.

OTHER WAYS TO DONATE!

You can contribute by sending checks made out to Brighton High Teen Center, or by donating supplies such as: Laundry essentials, Hygiene kits, Period products, Non-perishable (dry) foods, Clothing items including winter coats, hoodies, pants, shoes, socks, underwear, t-shirts, sweats, and more!
