## CTEC Open House 1/8/26

Hello Parents and Students,

CTEC will host an **Open House on Thursday from 4:00–7:00 PM at CTEC, 825 E 9085 S, Sandy, UT 84094.** Students and parents can meet program teachers, learn about available programs, and tour the learning spaces.

**Applications open Friday at 7:00 AM.** To apply, visit [ctec.canyonsdistrict.org](https://ctec.canyonsdistrict.org) and click **“Apply to CTEC.”**

**HOW DOES CTEC WORK WITH BRIGHTON?**

*How does the trimester work with the semester schedule that CTEC uses?*  
Students will take a class for .25 credit or home release for half of 2nd trimester after they finish their fall semester class or while they wait for spring semester to begin.

*What about breaks? Do I have to attend CTEC when Brighton has a day off and vice versa?*  
Yes, you will need to follow the CTEC schedule for CTEC classes and the Brighton schedule for Brighton classes. There will be days that you will only attend one school because of breaks and days off. The bus will still run to CTEC on days that Brighton is out of school.

*What session works best for Brighton students?*  
AM session is the best option for Brighton students. AM session students miss 1st, 2nd, and APP. PM session students miss 3rd, 4th, and 5th periods.  
\*If you are a Welding or Diesel student please choose PM

*What type of credits will I earn? Do the college credits transfer?*  
You will be earning either CTE or Elective credits, depending on what you need to graduate. The college credits you earn will transfer to any public UT institution, just make sure to send your transcripts!

For more information contact Sierra West, Brighton CTE Coordinator: [sierra.west@canyonsdistrict.org](mailto:sierra.west@canyonsdistrict.org)

CTEC scheduling is different for Brighton students due to scheduling conflicts. Please review the document below to ensure a smooth application process. I will be at the Open House to answer any questions about scheduling.
