SPRING BREAK NEXT WEEK April 6-10!

Looking for a list of all JV games played this week? See the attachment at the end of the bulletin.

Brighton Information

Aspire Testing: March 31st

ASPIRE Testing will be held for all 9th and 10th grade students on Tuesday, March 31st.

The ASPIRE Test has several benefits to Brighton students:

- It helps students gauge their readiness for the ACT and identifies areas for improvement.
- Each student receives a score report that predicts their ACT score in various categories, aiding in understanding their progress towards college readiness.
- Student participation assists us in evaluating whether our school is meeting state benchmarks, allowing us to enhance and refine our academic programs

We will be on a special bell schedule that day for testing. 11th and 12th grade students will not attend during ASPIRE Testing. Any student who needs extra support from teachers may come from 12:30 p.m. – 2:25 p.m. during our consultation time.

Students will not be admitted to exam rooms if they arrive after the start of the test. Students can start during the next section and should report to the Counseling Center if they arrive late. Students who are not in attendance during testing, will be called down for make-up testing during the week of April 13-17.

Senior Diploma Status: Appeals Due April 17th

Seniors:

Your confirmed diploma status is posted on the counseling center windows. Students who have qualified for an advanced or honors diploma are listed.

If you want to appeal the status of your diploma, appeal forms will be available in the counseling center and will be due by Friday, April 17th.

Help Support Teacher and Staff Appreciation Week

Teacher and Staff Appreciation Week is fast approaching. The Brighton PTSA creates a fun week full of food and goodies for all of the staff at Brighton. There are two ways that you can help support this important event full of gratitude!

Make a donation of funds at our Staff Appreciation link-

<https://brighton.givebacks.com/shops/items/71891fd86c28>

Please take a look at our Amazon wishlist for the event and make a purchase that will be sent directly to the school. Any orders should be placed by Monday, April 13th to arrive in time for the event.

Bella Vista Community Invited to Celebrate Six Decades of Tiger Pride at Memory Night

This springs marks nearly 61 years since Bella Vista first opened its doors in the fall of 1965. Now, as the Bella Vista Tigers prepare to join neighboring Ridgecrest Elementary, the community is invited to the campus for an evening in celebration of the school's legacy and lasting impact. In partnership with the school's PTA, Bella Vista will host a Memory Night on Monday, May 4, 2026, 5-7 p.m., welcoming current and former students, families, faculty and community members to walk through the halls and reconnect with old friends. Friends of Bella Vista are invited to contribute to the evening by sharing memories and stories through a dedicated **online form**. Organizers also encourage alumni, and current and former staff and families, to bring yearbooks, photographs, and other memorabilia to temporarily display during the event.

BELLA VISTA MEMORY NIGHT

Open house to share memories of the school. Please come visit with past staff and administrators. Commemorative coins for all students and staff.

4 May 2026

5-7 p.m.

2131 Fort Union Blvd

The entire community is invited to come share their favorite memories of the school. If you memories you liked to share or collectibles you are willing to showcase i.e., old t-shirts, photos please contribute through the qr code. There will be cake and commemorative coins given to all the students and staff.

Hi-GEAR SUMMER CAMP

UofU College of Engineering!

Hi-Gear is designed to expose students to a variety of engineering and computer science careers with hands-on experiential learning and collaborative team projects.

Campers get to experience hands-on learning, guest speakers, and tours of lab spaces. Come explore engineering with activities that encourage the use of problem-solving skills. The camp will introduce you to engineering disciplines such as biomedical, chemical, civil, computer, electrical, materials science, mechanical, and computer science.

Link to apply: <https://www.price.utah.edu/k12/summer-camps>

HEALTHCARE INTERNSHIP 2026-27! Applications are now being accepted.

- The Wasatch Front Health Science Group is providing an internship opportunity for the NEXT SCHOOL YEAR 2026-2027.
- Must be at least 16 years old and able to provide own transportation to the various internship sites
- The opportunity is very limited - only two spots for each session. Application is due by Wednesday, April 15
- For **more info and to apply** click the link. <https://cnyns.org/3xQsC8x>

Email: eileen.kasteler@canyonsdistrict.org with questions.

Digital Literacy: Talking about Online Privacy

Talking to kids about online privacy is like talking to them about not opening the front door to strangers. Help them set strong passwords and use privacy settings. When we explain what personal information is OK to share and whom to trust, we protect them against grooming, AI companions, and other tricky situations. And even when new apps pop up and platform settings change, the human skills remain the same. Critical thinking and knowing how to assess risks—and when to get a trusted adult—is the best way to stay safe and ahead of the game.
