Work-Based Learning

WBL Facilitator Eileen Kasteler : find her in the Career Center room #1513

Work-Based Learning Facilitators plan and implement a variety of activities throughout the district at every grade level. These activities support students in developing career awareness, exploring career options, developing appropriate workplace skills, and relating academic skills to real-world applications.

NCAA - College Athletes

Division I requirements:

- Graduate high school
- Earn a core course GPA of 2.3 or higher
- Complete 16 core courses
    - 4 years of English
    - 3 years of math (Algebra 1 or higher)
    - 2 years of natural/physical science
        - 1 year must be lab science
    - 1 additional year of English, math or natural/physical science
    - 2 years of social science
    - 4 additional years of English, math, natural/physical science, social science, foreign language, comparative religion or philosophy
- You must complete 10 of the core courses by the end of your junior year (before the start of your seventh semester).
    - Seven of the 10 core courses need to be in English, math or natural/physical science.
    - The grades in these seven courses will be “locked in,” meaning you will not be allowed to retake them to improve your grades.

Division II requirements:

- Graduate high school
- Earn a core course GPA of 2.2 of higher
- Complete 16 core courses
    - 3 years of English
    - 2 years of math (Algebra 1 or higher)
    - 2 years of natural/physical science
        - 1 year must be lab science if your school offers it
    - 3 additional years of English, math or natural/physical science
    - 2 years of social science
    - 4 additional years of English, math, natural/physical science, social science, foreign language, comparative religion or philosophy
